Using the patron of T-shirt on Roll as the basis for this upper part, it shows how to change the shape and style to adapt to you. There is a pattern for a race belt with pockets and an elastic adjustable strap so that it can adapt it to any waist size. Much more affordable than those bought in the store. Very modest and classic aspect. It is easy to sew, use of use. Once you have a great adjustment in this skirt, mark your patron because it is a wipped and easy sew that will want to do again and again. It is only when I finish a project that I look around to find the shameful stack of remains, paper and thread throughout the table and the floor. I like the combination in this knitted dress of an adjusted corpiÄ ± o and then a long long length skirt. Those that can use all days or for many different occasions. For some of us, it lasts more than others, but whether it is a trip to the beach, a picnic, purchases with the girls or a day of navigation, they will need to look cute and summer. The free sewing pattern for January is the sewing such a simple shoulder shrink: try to say that rosely! It is a bit of language. Very comodo, versatile and slimming (my type of diet ...). The Empire waist gains gently on the hips for a flattering adjustment. For lunch with a friend, make a long journey or go to the dicos or even walk, this blouse will do everything depending on the cloth. Let's be realistic, girls, sometimes depending on the state of the entity and "time of the month", we feel that wearing underwear that leaves us with the dreaded fence of panties. This leather and fabric bag is the perfect project for those who begin sewing with leather and for those who are bored with cloth bags.
